Dear senator Coleman, representative Tong, and members of the Judiciary Committee

I'm writing in opposition to the nomination of Audin Grogins for the Superior Court Judge

Audin Grogins lacks integrity and character required of a judge.

Former representative Grogins supported and voted in favor of many bills that violated the rights of Connecticut residents. When Audin Grogins cast her vote on Senate bill 1160 on April 4th 2013, she proved that she cannot make a judgement based on the facts. Instead she made a judgement based on her emotions, personal agenda and beliefs. Audin Grogins demonstrated total disregard for the sworn oath and did not support the Constitution of the United States , or the Constitution of the state of Connecticut . Audin Grogins also does not have any prior judicial experience. It is these reasons that I adamantly oppose the confirmation of Audin Grogins nomination for Superior Court judge. I urge you to do the same

Thank you for your consideration,
